## Looking Back...

Classic Club Members,

2009 was a busy year for Classic Club. January found members Island hopping in **Hawaii**, enjoying **Eli Barsi** in March, attending the musical "**Wicked**" in May, traveling to **Washington D.C.** in October, and taking in the **Westside Church Christmas Pageant** in December (photos inside). Add the local activities held at each branch, including the annual **Harvest Dinners**, and you find a full schedule of events.

2010 promises much the same. Be sure to check out the dates and times of upcoming branch activities. We have a few seats available for the **National Parks of Utah** trip and several day excursions planned. "**Life is Sweet in LeMars**", May 13th and "**Daniel O'Donnell**" in concert, June 11th. Seating is limited so don't wait too long to sign up!

Kick off 2011 with a **Panama Canal Cruise**. This Princess Cruise is being offered at a great price including trip cancellation/medical insurance, transfers and much more! Brochure prices are based on availability and may increase

after initial allotment of space is gone. Book early for best price and stateroom selection. A valid passport is required. See enclosed flyer for all of the details.

These are just some of the trips and activities coming your way. We at Security National Bank appreciate your business and look forward to serving you in the coming year and always!

Until next time,

Chris Adamson  
Classic Club Director
